COPA 19.1 FG

Designed for an assured touch and supreme comfort, these football boots are made of soft K-leather. A stretchy collar morphs to the shape of your foot for secure lockdown. The Exoframe plate is injected with soft TPU to cushion the main pressure points. The seamless upper is finished with an innovative treatment that reduces water uptake.

- Rotational studs: Rotational studs studs positions and shapes (circular and semi circular) have been engineered to optimize rotation
- monotongue construction: The monotongue construction allows both adaptive fit and sock like experience. Internal tongue elastic strap for enhanced lockdown
- Ortholite sockliner: ortholite sockliner for enhanced cushioning

NEMEZIZ 19.1 FG

Made to match your foot shape, these football boots wrap you up for extreme agility. Stretchy Tension Tape reduces the stitching to offer easy entry and an adaptive fit with the flexibility for radical play. The firm ground outsole is split, allowing it to flex with your every movement.

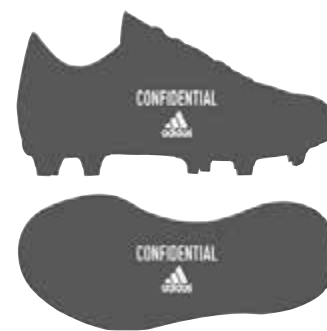

- ADAPTIVE FIT: through the innovative upper construction an adaptive fit is enabled as the upper supports in every movement providing a superior lockdown
- AGILITY STUD CONFIGURATION: Explosive acceleration and direction change on natural grass with the agility stud configuration
- TENSION TAPE: enables homogenous compression for optimal lockdown
- TENSION TAPE: provides stability in radical movement
